Mr. Thomas Pitoniak
Lackawanna Emergency Management Agency
200 Adams Avenue
Scranton, PA 18503

Dear Mr. Pitoniak:

I am sending you a copy of our fact sheet which contains our recommended cleanup alternative for the Lackawanna Refuse Superfund Site.

The Feasibility Study is presently in the repository at the Old Forge Boro Hall and it is also available for your inspection from the Old Forge Toxic Waste Removal Committee.

We are having a public meeting on Thursday, February 28 at 7 p.m. at the Old Forge High School on Marion Street.

Should you have any further questions, feel free to contact me at (215) 597-4164.

Sincerely,

Nanci L. Sinclair
Public Information Specialist
